Whiteparish Parish Council RESOLVED to comment that if the planning officer is minded to approve the application the Parish Council wishes to support the neighbours' response that the side window on the first floor east elevation should be of obscure glass.

7/17 16/11803/FUL Forest View Clay Street Whiteparish SP5 2ST Demolition of existing bungalow and erection of two new chalet bungalows. Improved access for units will be created off Clay Street. Hard and soft landscaping and associated works (Resubmission of 16/07647/FUL).

Whiteparish Parish Council RESOLVED to recommend refusal to this application on massing, density and common ground which has been included in the curtilage. Even though the issue of the ridge height has been addressed it will involve significant movement of spoil on an unadopted road that exits opposite the village school. Additionally it creates an artificial landscape, not in its natural form, and out of keeping with other properties on that side of the road.
